The background of the slide is white, filled with numerous small, semi-transparent images of compact discs (CDs) scattered across the surface. The CDs are shown from various angles, some appearing as flat circles and others as thin, tilted discs, creating a sense of motion or a shower of discs. The central text is overlaid on this background.

**Personaje
secundario:
Paco Nublau**

The background of the slide is a repeating pattern of handcuffs. The handcuffs are rendered in a light gray, semi-transparent style, scattered across the white background. Some are shown in pairs connected by a chain, while others are individual cuffs. The pattern is dense and covers the entire area, framing the central text.
